1. Although no definite action has been taken, the Burmese Defense Ministry is still considering imprisonment, if not actual expulsion, of the top pro-KMT leaders in Burma.
2. The Defense Department has a list of these KMT leaders which includes the names of 158 prominent Chinese. CHIN Hone-on who is considered the top KMT leader in Burma heads the list. LI Chi-chai and his wife are also high on the list. The Defense Department has nothing against LI, but since his wife has announced publicly on many occasions that she is one of the KMT leaders in Burma, the Defense Department concludes that she acts with her husband's approval.
3. LI Boon-tin was listed at one time, but has since succeeded in having his name removed from the list.
